VOTING

The voting process shall be conducted physically and manually.

All elections at the Ward, Local Government, and State Congresses, as well as the National Convention, shall be conducted through physical direct voting, and eligible voters shall cast their votes in person in accordance with the guidelines stipulated by the National Executive Committee (NEC).

Pre-Voting Process

1. Only verified and financially up-to-date members shall be eligible to vote.
2. The process shall commence with the verification of Party membership, which shall include:
 - i. A harmonized register of members at the National, State, Local Government, and Ward levels;
 - ii. A harmonized list of financially up-to-date members.
3. The NEC shall publish the verified and harmonized voters' register across all chapters.
4. Members shall physically verify their names on the voters' register at their respective Ward Secretariats to confirm correct spelling and other personal details.
5. Any member with discrepancies in their details shall report to their Ward or Local Government Secretariat to complete an amendment form and append their signature confirming the requested correction.
6. The amendment of details shall be open for a period of one (1) week, or for a shorter period as may be approved by the National Executive Committee (NEC), after which the State Chapter Chair shall forward a signed and collated verification list of

members to the Electoral Committee for final update and publication of the voters' register.

7. The final voter register shall be published before the date fixed for the Congress or Convention.

8. The final stage of the pre-voting process shall be the display and profiling of cleared candidates and the offices for which they are contesting.

Outline of Accreditation Process

a. On the day of voting, members shall present themselves physically at their designated voting centres within their Ward, Local Government, State, or National Convention venue.

b. Voters shall present valid means of identification as prescribed by the Party, including Party Membership Card and any other document approved by the NEC.

c. Voters' names shall be checked against the certified voter register.

d. Eligible voters shall be accredited and issued with a ballot paper or voting material as approved by the Electoral Committee.

e. Accredited voters shall proceed to cast their votes at the designated voting area.

Outline of Voting Process

a. Voting shall commence at the time fixed by the Electoral Committee and shall be conducted under strict supervision.

b. Once accredited, voters shall:

i. Receive the official ballot paper;

ii. Proceed to the voting cubicle, and

- iii. Thumbprint or mark the ballot paper as prescribed by the Party guidelines.
- c. After voting, the voter shall drop the ballot paper into the designated ballot box in the presence of election officials.
- d. Voting shall be open, transparent, and conducted in an orderly manner until the close of polls.
- e. At the close of voting, counting of votes shall be conducted openly at the venue, and results shall be announced in accordance with Party guidelines.
