REPRESENTATIVES, TARAUNI
CONSTITUENCY**

We have eleven candidates running across the country. We call on you to support those candidates and the party as we aim to change the face and impact of politics in Nigeria.

IT'S 30 DAYS TO THE GENERAL ELECTIONS

According to Narendra Modi, "People's participation is the essence of good governance". Citizen's participation in governance ensures that their representatives are responsive and responsible to their needs and aspirations. We all are affected by government decisions and we also have a right to be involved in the decision making process.

2019 is here and so are the elections. We urge you to collect your PVCs, vote rightly, and secure your votes. Remember, action breeds results, and together we can Shape the Future!!!

If you are yet to collect your PVC, [click here to locate it at your polling unit](#) and encourage somebody you know who hasn't collected theirs, to get theirs.
