It's not too late to say go get your PVCs but we hope you all have your PVCs ready and you are excited to go out and exercise your civic responsibility. If you haven't, please go get yours at your registered INEC center.

So here's the gist, it's not enough to complain, rant and grumble without doing the needful, which is voting for credible and competent leaders. Don't just go out to vote, encourage others to do so too. Action breeds results, and together we can Shape the Future!!!

Mr. Balogun Adeola Moshood Balogun (BAMB) is the flagbearer of YP, Alimosho Constituency 1, Lagos State House of Assembly. He is a 25 year old graduate of Political Science from the University of Lagos. Jide is a young, vibrant and selfless service crusader.

He is passionate about equal opportunities for all to quality public basic education, healthcare and social housing. In his words, "I have an insatiable thirst for selfless public service and I believe that service to others is the rent you pay for your room here on earth".

We believe Jide is the right man for the job. Well before his political career started, he has been active as a political volunteer and adviser in his student days in the university. Jide is a new tribe of politicians we know would shape the future of our dreams.
